Description [Edit](#)

As player

I want to place my pin on the board

so that the game notify me when the game is done or alert me if my move isn't allowed.

UAT

[Hide completed items](#) [Delete...](#)

100% 

- ~~place the X pin on the board~~
- ~~place the O pin on the board~~
- ~~raise the alert if i try to place a pin outside the board~~
- ~~raise the alert if i try to place a pin on a NOT empty cell~~

- ~~raise the alert if i try to move when isn't my round~~
- ~~notify me if my move close the game with a VERTICAL victory~~
- ~~notify me if my move close the game with a HORIZONTAL victory~~
- ~~notify me if my move close the game with a DIAGONAL victory~~
- ~~notify me if my move close the game with a DRAW~~
